Ideal for someone who is hard to buy for, and is a great last-minute present idea.

The Glow of Paris Feb 26 2021 Already we're expecting something special. And that's exactly what Gary Zuercher gives us in this gorgeous collection of photographs. Over a period of five years, he took his cameras out into the Parisian night to capture stunningly evocative images of the bridges that span the Seine. Using his artistic eye and sophisticated photographic technique, he created these glorious black-and-white photographs, rich with detail and possessing a clear, luminous, quality. This collection is unique, and remarkable. No one else has ever photographed all the bridges that cross the Seine in Paris in this way. We don't see crowds of people, or heavy traffic. Nothing obscures the beauty and strength of the structures, the romance and symbolism of the bridges. Shooting in black and white allows the details to shine: the architectural elements,

artwork, nearby buildings, trees on the riverbanks, and starry lamps casting paths of light across the water.

Page's Engineering Weekly Nov 13 2019

Curiosities of Paris: An idiosyncratic guide to overlooked delights... hidden in plain sight Apr 18 2020 Francophiles and Paris buffs will find something new and fascinating in this timeless guidebook, filled with sites, passageways, hotels, shops, and more What if—walking around Paris—instead of seeing only the Paris of 2017, you glimpsed Paris in Revolutionary times? Or Paris when it was home to 80,000 horses; or Paris lit by gaslight; or medieval Paris? What if—walking down a block in Paris—you recognized the signs, mosaics, pieces of hardware, and architectural details as relics of many centuries that have stories to tell of past eras? This is what *Curiosities of Paris* reveals. Each of the book's 800 photos of unique locations and architectural oddities—as well as utilitarian objects whose functions have long been obscured with the passage of time—discloses a previously unnoticed city. Even those who know Paris well might never have registered the thousands of details on every street that testify to the enduring presence of the past: the solar cannon at Invalides, street signs with the word “saint” and all fleur-de-lys removed; the unique features of Parisian street lighting. You'll never look at an elm tree the same way again. And, with *Curiosities of Paris* as your guide, you'll feel very in-the-know as you walk down the Champs-Élysées past all the auto dealerships. Organized by subject—including fountains and wells; centuries-old shop signs; vestiges of wars and

ancient Egypt; hotels of legend; remarkable trees; sundials and meridians; equestrian Paris; romantic ruins; unusual tombs, stairways, and passageways; religious relics; mosaics; public barometers and thermometers; and hundreds more urban elements and anachronisms—the book also includes three themed walks (along the city's ancient walls, in the steps of Quasimodo, and through the French Revolution), as well as an index of street names. This absorbing compendium is an essential addition to the library of the armchair traveler and flâneur alike.

Paris 2017 Wall Calendar Jul 02 2021 Art calendar featuring full-color photos Monthly grid calendars indicate US national holidays Ample space for writing down appointments and special occasions 11x17" when open

Paris (Doisneau) 2009 Wall Calendar Aug 23 2020 Paris Proposal Mar 18 2020 Holly Gardiner travels to Paris with her boyfriend for New Year, dreaming of a romantic proposal, only to find herself dumped instead. While drowning her sorrows in a nightclub, she meets Jean-Luc Charpentier, known to his friends as Luc. Holly is instantly attracted to the handsome stranger. But she must return to England soon so a romance is doomed from the start. Little does she know

the dreamy Frenchman and their meeting are not what they appear. Luc thinks the pretty Londoner is everything he wants. But he fears revealing the truth behind their encounter will chase her away. Will honesty win her over or will they both leave their dreams behind in Paris?

We'll Always Have Paris Jan 16 2020 A charming second-chance love story for fans of *The Best Exotic Marigold Hotel*. Does first love deserve a second chance? During her first week at art college, Rosie Jackson, almost seventeen, locks eyes with the charismatic Peter from across the room of their nude figure drawing class, and the course of her life is changed forever. Now, on the cusp of sixty-five and recently widowed, Rosie is slowly coming to terms with a new future. And after a chance encounter with Peter forty-seven years later, she is brought back to that summer of 1968, when she fell in love for the first time and dared to dream boldly of a life in Paris. As Rosie and Peter pick up where they had left off, they both begin to wonder what if . . . Told with warmth, wit, and humor, *We'll Always Have Paris* is a moving and uplifting novel about two people giving love a second chance in later life—the choices they make, the lives they lead, and the love they share.

Emily in Paris Calendar 2022 Oct 05 2021 **EMILY IN PARIS CALENDAR 2022** Special gifts for all ages, genders and art lovers around the world ? This calendar will help you more organized and better in time management and works for your

goals! ? A cool calendar Paul Klee artist fans!

extraordinary fine art for your wall. Printed on

premium gloss cover. Also included in the calendar is a September through December 2020 spread.

Framing Class Dec 15 2019 Framing Class is a cutting edge book that examines the sociological implications of class representations in the media and shows how slanted media framing of stories about wealth and poverty may significantly influence many people. Through a historical and contemporary analysis of newspaper articles and television shows, *Framing Class* demonstrates how the media perpetuate negative stereotypes about the working class and the poor while glorifying the material possessions and privileged status of the upper classes.

The Paris Showroom Feb 15 2020 In Nazi-occupied Paris, a talented artisan must fight for her life by designing for her enemies. From New York Times bestselling author Juliet Blackwell comes an extraordinary story about holding on to hope when all seems lost. Capucine Benoit works alongside her father to produce fans of rare feathers, beads, and intricate pleating for the haute couture fashion houses. But after the Germans invade Paris in June 1940, Capucine and her father must focus on mere survival—until they are betrayed to the secret police and arrested for his political beliefs. When Capucine saves herself from deportation to Auschwitz by highlighting her connections to Parisian design houses, she is sent to a little-known prison camp located in the heart of Paris, within the Lévitain

department store. There, hundreds of prisoners work to sort through, repair, and put on display the massive quantities of art, furniture, and household goods looted from Jewish homes and businesses. Forced to wait on German officials and their wives and mistresses, Capucine struggles to hold her tongue in order to survive, remembering happier days spent in the art salons, ateliers, and jazz clubs of Montmartre in the 1920s. Capucine's estranged daughter, Mathilde, remains in the care of her conservative paternal grandparents, who are prospering under the Nazi occupation. But after her mother is arrested and then a childhood friend goes missing, the usually obedient Mathilde finds herself drawn into the shadowy world of Paris's Résistance fighters. As her mind opens to new ways of looking at the world, Mathilde also begins to see her unconventional mother in a different light. When an old acquaintance arrives to go "shopping" at the Lévitán department store on the arm of a Nazi officer and secretly offers to help Capucine get in touch with Mathilde, this seeming act of kindness could have dangerous consequences.

Paris 8.5 X 8.5 Photo Calendar January 2020 - June 2021 Nov 25 2020 THIS IS A BEAUTIFUL DESK CALENDAR 2020-2021 Mini Calendars January 2020 to June 2021 Monthly Cute picture Country Calendar Book This beautiful two year monthly calendar 2020-2021 is an 18 months calendar from January 2020 to June 2021 which is your must-have organizer for all your tasks, appointments and
