Simultaneous. Jacqueline van Maarsen's father was Dutch, her mother French; he was Jewish, she a Catholic. In 1938, after unremitting effort, he succeeded in registering his wife with the Jewish Council in Amsterdam. From that moment on, his two daughters were also considered to be Jews. Jacqueline was forced to go to a special school for Jewish children - it was there that she met Anne Frank and they immediately became friends. Unlike Anne Frank, Jacqueline van Maarsen escaped deportation thanks to her strong-willed mother who persuaded the German Registration Bureau to undo her listing as a Jew. She left the school a few months after Anne Frank went into hiding (or 'went to Switzerland', as Jacqueline believed). It was only after the war when Otto Frank, Anne's father, told her what had happened that she found out the truth about her best friend's fate. In 1942, a young girl named Anne Frank was given a diary as a 13th birthday present. In it, she recorded her thoughts and experiences as her family,,German Jews living in Amsterdam,,went into hiding to attempt to escape the Nazi regime. They were finally found out and did not survive to the end of the war, but the subsequent publication of Anne's moving, mature and often beautiful diary made her into one of the most significant chroniclers of the Holocaust. The diary has been translated into 70 languages, with 25 million copies sold, and the lessons of Anne Frank's life continue to be learned anew every day. Includes:How Adolf Hitler came to power,,and how the Frank family realized they would have to go into hidingThe experiences that convinced Anne Frank she was meant to be a writerWhat happened to Anne and her family after they were discoveredThe world's response to the publication of Anne's diary in 1947 and the impact it has had in the seven decades sincePlus: An introduction by President Bill Clinton In one moment Nicole Burns's life changes forever. The sound of gunfire at an Anne Frank exhibit, the panic, the crowd, and Nicole is no longer Nicole. Whiplashed through time and space, she wakes to find herself a privileged Jewish girl living in Nazi-occupied Paris during World War II. No more Internet diaries and boy troubles for Nicole- now she's a carefree Jewish girl, with wonderful friends and a charming boyfriend. But when the Nazi death grip tightens over France, Nicole is forced into hiding, and begins a struggle for survival that brings her face to face with Anne Frank. "This is a powerful and affecting story." (KLIATT) "In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps. The candid, poignant, unforgettable writing of the young girl whose own life story has become an everlasting source of courage and inspiration. Hiding from the Nazis in the "Secret Annex" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book rounds out the portrait of this remarkable and talented young author. Newly translated, complete, and restored to the original order in which Anne herself wrote them in her notebook, Tales from the Secret Annex is a collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel,

Cady's Life. From July 1942 until August 1944, a young girl named Anne Frank kept a diary. Keeping a diary isn't unusual. Lots of girls do. But Anne's diary was unique. It chronicled the two years she and her family spent hiding from the Germans who were determined to annihilate all the Jews in Europe. In this sensitive and thoughtful introduction to the Holocaust and to the life of one of its best known victims, acclaimed author Johanna Hurwitz deftly evokes the background of World War II while capturing the unforgettable spirit and tragedy of Anne's life. Barbara Sinatra's first public love letter to the husband she adored, she celebrates the sensational singer, possessive mate, sexy heartthrob, and devoted friend that she found in Frank in Lady Blue Eyes. For more than two decades, Barbara was always by Frank Sinatra's side, traveling the globe and hosting glittering events for their famous friends, including presidents, kings, queens, Hollywood royalty, and musical legends. Among them were Sammy Davis, Jr., Princess Grace of Monaco, Bob Dylan, and Ronald Reagan. Each night, as Frank publicly wooed his bride with love songs from a concert stage, she'd fall in love with him all over again. From her own humble beginnings in a small town in Missouri to her time as a fashion model and her marriage to Zeppo Marx, Barbara Sinatra reveals a life lived with passion, conviction, and grace. A founder of the Miss Universe pageant and a onetime Vegas showgirl, she raised her only son almost single-handedly in often dire circumstances until, after five years of tempestuous courtship, she and Frank committed to each other wholeheartedly. In stories that leap off the page, she takes us behind the scenes of her iconic husband's legendary career and paints an intimate portrait of a man who was variously generous, jealous, witty, and wicked. Coupled with revealing insights about many of Frank's celebrated songs, this is much more than the story of a showbiz marriage. It is a story of passion and of a deep and lifelong love. The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Anne Frank is the most well-known victim of the Holocaust. In 1945, at the age of fifteen she died at Bergen-Belsen concentration camp, becoming one of the six million Jews who were murdered in Europe under the Nazi regime. But through her writing her memory lives on. Her 'Diary of a Young Girl' remains one of the most widely read non-fiction books in the world and was described as 'one of the greatest books of the last century'. Anne started keeping a diary shortly before she went into hiding with her family in 1942, and over the course of two years she honed her craft as a writer, documenting the details of their daily lives alongside her personal reflections, fears, and aspirations. By chance, the

majority of her writings were saved after the family was arrested and in 1947, after much deliberation, her father, Otto, oversaw the publication of the first edition of her diary in the Netherlands. Within a decade, it had become an international bestseller. First adapted for both stage and screen in the 1950s, awareness and readership of Anne's diary continued to grow and its author became a household name, gradually acquiring something of a symbolic status. 70 years on 'The Diary of a Young Girl' still resonates just as powerfully with young and old readers alike. Jemma Saunders goes beyond Anne's diary to fill in the gaps about her family history, her life before she went into hiding, and her final months at Bergen-Belsen concentration camp. A sobering tale, Anne Frank's story is one that will continue to inspire generations of readers for decades to come. Jemma J Saunders works at the University of Birmingham. She is also the author of 'The Holocaust: History in an Hour'. Endeavour Press is the UK's leading independent digital publisher.
