The HESI Comprehensive Review for the NCLEX-RN® Examination, 5th Edition provides a comprehensive, all-in-one review of the information you need to know to not only succeed on the NCLEX-RN exam but also on your program's HESI exit exam. Written in an easy-to-read outline format, this trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 700 practice questions in both study and exam formats to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-RN exam. 700 NCLEX practice questions on the

companion Evolve website include alternate item formats to provide a testing experience similar to the exit and NCLEX exams. Chapters organized by clinical area enables you to easily search for various topics to review. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions (with rationales) reinforce key concepts and content. Fill-in-the-blank and prioritizing questions mirror the new alternate item format item types included on the NCLEX-RN exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-RN exam. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Updated content reflects the latest NCLEX-RN test plan. NEW! Updated medications and nursing interventions have been added based on the latest evidence-based practice. NEW! Revised chapter on pediatric nursing includes an updated immunization chart, referral websites, and new content on children with disabilities and chromosomal and genetic syndromes. NEW! Revised chapter on maternity nursing features updated CPR guidelines and medications for neonatal cardiac arrest, as well as new HESI Hints that reflect new modalities such as fetal cell-DNA analysis and current screening tools. NEW! Revised chapter on psychiatric nursing includes new information on autism spectrum disorders, as well as updates on DSM 5 changes. NEW! Revised chapter

on geriatrics features new content on polypharmacy in the elderly, the Geriatric Depression Scale as an assessment tool, the Mini-Cog tool for mental status assessment, and new information on elder mistreatment in various settings. Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming test anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills. Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight

real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.
