Confessions of a Madman Feb 07 2022

The Words of a Madman Nov 16 2022 this book is about being real. being broken. being happy. being sad. being anxious. being in love. being depressed. and overall being human.

Musings of a Madman Jan 06 2022 Some say that Madness is linked directly to creativity. I don't know about that, but I can tell you one thing, I am definitely mad. I chose these 55 poems to entice and teach people just what a maddened mind can create. When you're reading my poetry you are stepping into the mouth of madness itself. I hope you enjoy the ride...

The Diary of a Madman and Other Stories Dec 05 2021 Some call him a Russian Mark Twain. And with his special blend of comedy, social commentary, and fantasy, Nikolai Gogol paved the way for his countrymen Tolstoy and Dostoyevsky. This sampling of Gogol's works includes the increasingly fantastic entries of "The Diary of a Madman," followed by the wonderfully surrealistic "The Nose," in which the title character embarks on some unlikely activities when separated from its owner's face. In "The Carriage," a pompous landowner gets his comeuppance when he attempts to impress a general. Rounding out the collection are the woefully comic tale of a clerk's acquisition of "The Overcoat" and the celebrated novella "Taras Bulba" about the Ukrainian mythic hero said to have led a bloody Cossack revolt against the Poles. Translated by Priscilla Meyer and Andrew R. McAndrew With a New Introduction and an Afterword by Priscilla Meyer

Diary of a Madman and Other Stories Aug 13 2022 A bizarre mix of broad comedy, fantasy, and social commentary, the title story offers an unforgettable depiction of a lunatic civil servant. Includes "Nevski Prospect" and "The Portrait."

Madman on a Drum Apr 28 2021 Homicide cop Bobby Dunston's daughter has been kidnapped, taken in broad daylight on a city street in the middle of September. The kidnapers demand a million dollars and force Dunston to get the ransom from his friend Mac McKenzie. It soon becomes apparent to the two of them

that one of the kidnapers is childhood pal Scottie, a once aspiring drummer now gone astray, and that the kidnapping is payback for "crimes" committed in their past. McKenzie, former cop and now unlicensed P.I., handles the ransom drop-off and the child is returned safely. But Scottie is found dead---brutally murdered---and someone has taken out an open contract on McKenzie, using his own money to pay for it. Dodging attempts on his life from assassins of all shapes and sizes, McKenzie now has precious little time to uncover the mastermind behind it all if he's going to survive. Madman on a Drum is another thrilling entry in David Housewright's hard-boiled mystery series.

The Diary of a Madman Mar 08 2022 The Diary of a Madman is a short story by Guy de Maupassant. Henri Rene Albert Guy de Maupassant (5 August 1850 - 6 July 1893) was a popular 19th-century French writer, considered one of the fathers of the modern short story and one of the form's finest exponents. A protege of Flaubert, Maupassant's stories are characterized by their economy of style and efficient, effortless denouements. Many of the stories are set during the Franco-Prussian War of the 1870s and several describe the futility of war and the innocent civilians who, caught in the conflict, emerge changed. He authored some 300 short stories, six novels, three travel books, and one volume of verse. His first published story "Boule de Suif" ("Ball of Fat," 1880) is often considered his masterpiece. He delighted in clever plotting, and served as a model for Somerset Maugham and O. Henry in this respect. His stories about expensive jewellery ("The Necklace," "La parure") are imitated with a twist by Maugham ("Mr Know-All," "A String of Beads") and Henry James ("Paste"). Taking his cue from Balzac, Maupassant wrote comfortably in both the high-Realist and fantastic modes; stories and novels such as "L'Heritage" and Bel-Ami aim to recreate Third Republic France in a realistic way, whereas many of the short stories (notably "Le Horla" and "Qui sait?") describe apparently supernatural phenomena. The supernatural in Maupassant, however, is often implicitly a symptom of the protagonists' troubled minds; Maupassant was fascinated by the burgeoning discipline of psychiatry, and attended the public lectures of Jean-Martin Charcot between 1885 and 1886. This interest is reflected in

his fiction. Maupassant is notable as the subject of one of Leo Tolstoy's essays on art: *The Works of Guy de Maupassant*. Friedrich Nietzsche's autobiography mentions him in the following text: "I cannot at all conceive in which century of history one could haul together such inquisitive and at the same time delicate psychologists as one can in contemporary Paris: I can name as a sample - for their number is by no means small, ... or to pick out one of the stronger race, a genuine Latin to whom I am particularly attached, Guy de Maupassant."

Diary of a Madman- The Haunting of Terrance Brushwood Oct 23 2020

The Ingenious Ramblings of a Madman Apr 16 2020 A collection of poems and short stories, meshed together into one poetic epic novel. Follow Jay, a young inner-city male, as he searches for his purpose in life traveling on the mean streets. He tells his story thru his Journal of Rambled Thoughts, his collection of his daily events and some random thoughts and words.

Diary of a Madman, The Government Inspector, & Selected Stories Sep 14 2022 Author, dramatist and satirist, Nikolay Gogol (1809-1852) deeply influenced later Russian literature with his powerful depictions of a society dominated by petty beaurocracy and base corruption. This volume includes both his most admired short fiction and his most famous drama. A biting and frequently hilarious political satire, *The Government Inspector* has been popular since its first performance and was regarded by Nabokov as the greatest Russian play every written. The stories gathered here, meanwhile, range from comic to tragic and describe the isolated lives of low-ranking clerks, lunatics and swindlers. They include *Diary of a Madman*, an amusing but disturbing exploration of insanity; *Nevsky Prospect*, a depiction of an artist besotted with a prostitute; and *The Overcoat*, a moving consideration of poverty that powerfully influenced Dostoevsky and later Russian literature.

Diary of a Madman Jan 18 2023 One of Rolling Stone's Best Music Books of 2015 From Geto Boys legend and renowned storyteller Scarface, comes a passionate memoir about how hip-hop changed the life of a kid

from the south side of Houston, and how he rose to the top-and ushered in a new generation of rap dominance. Scarface is the celebrated rapper whose hits include "On My Block," "Mind Playing Tricks on Me" and "Damn It Feels Good to be a Gangsta" (made famous in the cult film Office Space). The former president of Def Jam South, he's collaborated with everyone from Kanye West, Ice Cube and Nas, and had many solo hits such as "Guess Who's Back" feat. Jay-Z and "Smile" feat. Tupac. But before that, he was a kid from Houston in love with rock-and-roll, listening to AC/DC and KISS. In *Diary of a Madman*, Scarface shares how his world changed when he heard Run DMC for the first time; how he dropped out of school in the ninth grade and started selling crack; and how he began rapping as the new form of music made its way out of New York and across the country. It is the account of his rise to the heights of the rap world, as well as his battles with his own demons and depression. Passionately exploring and explaining the roots and influences of rap culture, *Diary of a Madman* is the story of hip-hop-the music, the business, the streets, and life on the south side Houston, Texas.

G May 18 2020 If there were such a thing as karma, Gregor would say he had itbad karma. His mental illness has been present practically since birth. During early childhood, Gregor already knows hes different. As he grows to be an adult, those differences become violently apparent. He is a monster born, not made, and his extremely disturbed mental state is a thing of nightmares. Told in a series of chilling vignettes, *G: The Story of a Madman* is a character study of one mans descent into pure evil. It begins with *Baby G*, a tale of Gregors upbringing. A few years later, run into him again in *Friends*. Next, follow Gregor to New York City as he escapes his history to start anew in the Big Apple. Finally, the *Psycho G* series takes readers deepest into the darkness of this antihero. For author Bill Evans, writing is the priceless ability to show the things we dare not think or say in real life. It is a pure art form that reflects the truth of the human condition, no matter how dark and deviant. The stories in *G* do not pull any punches as Gregor grows to become the monster in all our minds and openly portrays the horrors we refuse to accept.

The Madman Apr 09 2022 Widely known in America as author of *The Prophet*, which sold more copies in the 20th century than any other book but the Bible, the great Lebanese-American poet and artist Kahlil Gibran (1883–1931) first became known to Americans in 1918 with the publication of *The Madman*. Thought-provoking and inspiring, the book is a collection of memorable, life-affirming parables and poems, many of them casting an ironic light on the beliefs, aspirations, and vanities of humankind — and many reminiscent of the work of Tagore and Nietzsche, both of whom were strong influences on Gibran. Among the 35 poems and parables in this volume are "How I Became a Madman," "The Two Hermits," "The Wise Dog," "The Good God and the Evil God," "Night and the Madman," "The Three Ants," "When My Sorrow Was Born," "And When My Joy Was Born," and many more. The book includes several illustrations by the author, whose exquisite drawings are reminiscent of Rodin and the best of Blake. ". . . the greatest of Arab Romantics and father of a 20th-century Romantic tradition whose impact on Arab writers has been at least as strong as that of 19th-century figures such as Wordsworth and Keats on their English-speaking counterparts." — Dr. Suheil Bushrui, Director of the Kahlil Gibran Chair on Values and Peace, University of Maryland

The Czar's Madman Aug 01 2021 Timo von Bock's release by the Czar from nine years' incarceration does not spell the end of the Baron's troubles: he is confined to his Livonian estate to live under the constant eye of police informers planted among his own household, and is subjected to endless humiliations. It is claimed that he is a madman and in need of "protection:" a man would need to be insane, after all, to have taken a Czar at his word when asked for a candid appraisal of the state's infirmities. From the year of his release from prison and return to his wife Eeva, a woman of peasant stock to whom, with her brother Jakob, he has given a solid education, the Baron's life is recorded in a secret journal by this same Jakob, a shrewd and observant house-guest. Reconstructing the events leading up to the Baron's incarceration in 1818 and subsequent to his release in 1827, Jakob little by little brings to light mysteries surrounding the "Czar's madman." Was his madness genuine? What was the secret understanding between him and his boon companion Czar Alexander

I, who committed him to prison? In *The Czar's Madman*, Jaan Kross weaves together the elements of intrigue surrounding those historical characters who survived in post-Napoleonic Russia, and by a skillful shifting of chronology and viewpoints, creates a superbly rich and moving narrative.

Diary of a Madman [in, *Diary of a Madman, The Government Inspector & Selected Stories: Translated with Notes by Ronald Wilks with an Introduction by Robert A. Maguire*] (Penguin Classics). Nov 11 2019

Ravings of an Internet Madman Feb 24 2021 One day in my favorite quiet coffee shop, a man showed up and told me he had chosen me to be his scribe for the answers to the questions of the Universe. Intrigued, I opened my note pad, turned on my recorder and spent the next four-and-a-half hours listening as the universe unfolded around me. When he finished talking, I was left stunned and bewildered with a new understanding of things which left me confused, enlightened and a little afraid. As the scribe for what had happened, I created this transcription of the conversation. It is a wonderful, confusing and amazing journey from the normalcy of reality into a glimpse of the universal events surrounding us and defining our lives in unimaginable ways. He used breadcrumbs found in history to rewrite it in ways that finally make sense. You experience a deep, deep love story that has made strong men weep. There was an examination of humanity from the nature of our physical selves to clues of our design and needs. It is a spiritual journey which tosses away faith for faith sake alone and replaces it with science and logic which reaffirms the reasons for the system. Finally he combined all that had gone on before in the entire conversation into cohesive presentation of the reason and nature of, well, everything! This journey has been different for every person who has previewed this book. I asked those who have read it for a way to describe it every person stumbled: "Science-fiction that isn't science-fiction" said one. "A deep, sad love story that isn't," said a second. Finally, a woman who is a Person of Talent said it best: "It is a song. There is a rhythm, a beat, a melody and each person reacts to it in ways individual to themselves." I then realized what this book is: This book is Zen. You cannot

describe Zen. Zen must be experienced. The reason so many have such difficulty describing this book is because it speaks to each person differently. It Is Zen. Something Very Important: You cannot skim this book. You cannot jump to an interesting chapter title and read it without reading all the chapters before it. This conversation I was privileged to be a part of built to the conclusion based upon small blocks, characters and concepts introduced all along this journey. I will also warn you that there are words and ideas in here some may find offensive. This is the nature of free-range conversation. There are dissections of history and religions that may leave some upset. If you feel you cannot handle thoughts not given to you from an approved list of allowable thinking, you probably won't be able to handle this book. But if you are of the type that can consider each point without immediately passing judgment, this book may cause you to find strange and different views entering your thought processes. The only thing my previewers agreed on was: "You MUST publish this!" You also need to know there are two versions of this book; one for women, one for men. Both are almost exactly the same but there is a section in each which, when you read it, you'll see why the other gender need not know what is said. Read the version for your gender. It's not important enough to wonder about what the other version says. So I offer this book, this manuscript, this interview for your pleasure and your consideration. For those who can go through each doorway as they are presented, this can be a journey to Zen. It is a way to reach a point where you look around and you suddenly see the influences of the unseen upon everything around you. It becomes a way to discover a bit about the painted background that makes up our existences. For those of you who do not achieve the Zen state, my apologies. You'll probably toss this book on the pile of WTH books you've encountered from time to time. But for those who do reach the end and achieve Zen, if the end leaves you opened mouthed, I can only say: Wow! -- Right?

The Diary of a Madman Aug 21 2020 Yes, you're a tinkerer! Thoughts and ideas are floating in your head every minute of everyday! But because you think very fast, how can you make sure you remember every idea you can think up? You write them down, of course! You write them in this exquisite journal created just for

you! Grab a copy and use it today!

The Writings of a Madman Oct 03 2021 The Writings of a Madman is a series of books that contain Poetry and short stories from deep within a devastated mind. But as you read these books it has a beautiful message to find...one where beauty comes from devastation. And a Rich man could save the world if he had God's revelation. As a book is mainly about the fantasyland in my brain. From a cowboy who rescues people from a crashed train. To an evil biker who started a civil war as his hypnotic world drove every boy insane. As it's also lined with beautiful poetry that will touch your heart. To amazing poetry that unites two worlds as they are not too far apart. As I share my gift from God I met friend after friend. With your help, these words will never come to an end.

A Madman's Diary Jun 18 2020 This English and Chinese bilingual edition of a "A Madman's Diary" was first published in 1918 by Lu Xun, one of the greatest writers in 20th-century Chinese literature. This short story is one of the first and most influential modern works written in vernacular Chinese and would become a cornerstone of the New Culture Movement. The story was often referred to as "China's first modern short story". This book is selected as one of The 100 Best Books of All Time. The diary form was inspired by Nikolai Gogol's short story "Diary of a Madman, " as was the idea of the madman who sees reality more clearly than those around him. The "madman" sees "cannibalism" both in his family and the village around him, and he then finds cannibalism in the Confucian classics which had long been credited with a humanistic concern for the mutual obligations of society, and thus for the superiority of Confucian civilization. The story was read as an ironic attack on traditional Chinese culture and a call for a New Culture.

Death of a Madman Oct 11 2019 The devastation of drug addiction is, quite frankly, a pandemic. It has taken countless lives, destroyed homes, separated families, and alienated friends. Those of us who survived this hellish phenomena have a responsibility to drop a ladder, give a hand, and share with others the way out of such a space of degradation, humiliation, and near-death episodes. Death of a Madman is my story. It is

filled with life-changing experiences of love, life, detrimental choices, a downward spiral, and finally, help and rebirth.

Diary of a Madman, and Other Stories Sep 21 2020 Illuminates the Russian writer's thoughts on madness, bureaucracy, and illusion in these five tales

The Madman Jul 20 2020 You ask me how I became a madman. It happened thus: One day, long before many gods were born, I woke from a deep sleep and found all my masks were stolen—the seven masks I have fashioned and worn in seven lives—I ran maskless through the crowded streets shouting, “Thieves, thieves, the cursed thieves.” Men and women laughed at me and some ran to their houses in fear of me. And when I reached the market place, a youth standing on a house-top cried, “He is a madman.” I looked up to behold him; the sun kissed my own naked face for the first time. For the first time the sun kissed my own naked face and my soul was inflamed with love for the sun, and I wanted my masks no more. And as if in a trance I cried, “Blessed, blessed are the thieves who stole my masks.” Thus I became a madman. And I have found both freedom and safety in my madness; the freedom of loneliness and the safety from being understood, for those who understand us enslave something in us. But let me not be too proud of my safety. Even a thief in a jail is safe from another thief.

A Madman's Manifesto Dec 25 2020

The Story of the Madman Oct 15 2022 Widely acclaimed when first published in French in 1994, Mongo Beti's tenth novel, *L'histoire du fou*, continues the author's humorous yet fierce criticism of the colonial system in Africa and its legacy of governmental corruption. Translated here as *The Story of the Madman*, the novel gives the English-speaking world Beti's comic satire of the fictional Chief Zoaételeu and his favorite sons Zoaétoa and Narcisse. In a modern fable that Beti uses to illustrate the problems of a people's disintegrating values in a postcolonial state, Chief Zoaételeu, a puppet under two dictatorial regimes, is swept into the frontline of politics, where his fortunes unravel. Along with his caustic portrayal of failed

government--clearly a reflection of his native Cameroon--Beti's realism provides an intriguing view of the struggle for balance between traditional life and imminent change in African culture.

Memoirs of a Madman Sep 02 2021 A captivating and evocative work, *Memoirs of a Madman* is one of Flaubert's earliest writings, and forms the basis for his highly renowned *L'Education Sentimentale*. As a young man looks back on the years that have brought him to "madness," he recalls the innocence of his boyhood and his fond belief that he was blessed with a mind of genius. Yet, painfully, wretchedly, he also recounts his all-too-sudden entry into the adult world. For the day he caught sight of a beautiful woman by the sea marked the end of his flamboyant philosophizing, and the beginning of a tragic coming of age.

Ravings of an Internet Madman Jan 26 2021 One day in my favorite quiet coffee shop, a man showed up and told me he had chosen me to be his scribe for the answers to the questions of the Universe. Intrigued, I opened my note pad, turned on my recorder and spent the next four-and-a-half hours listening as the universe unfolded around me. When he finished talking, I was left stunned and bewildered with a new understanding of things which left me confused, enlightened and a little afraid. As the scribe for what had happened, I created this transcription of the conversation. It is a wonderful, confusing and amazing journey from the normalcy of reality into a glimpse of the universal events surrounding us and defining our lives in unimaginable ways. He used breadcrumbs found in history to rewrite it in ways that finally make sense. You experience a deep, deep love story that has made strong men weep. There was an examination of humanity from the nature of our physical selves to clues of our design and needs. It is a spiritual journey which tosses away faith for faith sake alone and replaces it with science and logic which reaffirms the reasons for the system. Finally he combined all that had gone on before in the entire conversation into cohesive presentation of the reason and nature of, well, everything! This journey has been different for every person who has previewed this book. I asked those who have read it for a way to describe it every person stumbled: "Science-fiction that isn't science-fiction" said one. "A deep, sad love story that isn't," said a second. Madman Nov 04 2021 "Tallis, a philosopher's servant, is sent to a Greek academy in Palestine only to

discover that it has silently, ominously disappeared. No one will tell him what happened, but he learns what has become of four of its scholars. One was murdered. One committed suicide. One worships in the temple of Dionysus. And one...one is a madman. From the author of "The Brother's Keeper" comes a tale of mystery, horror, and hope in the midst of unimaginable darkness: the story behind the Gerasene demoniac of the Gospels."--Cover, page 4.

Madman Dec 17 2022 If there is a way into madness, logic says there is a way out. Logic says. Tallis, a philosopher's servant, is sent to a Greek academy in Palestine only to discover that it has silently, ominously, disappeared. No one will tell him what happened, but he learns what has become of four of its scholars. One was murdered. One committed suicide. One worships in the temple of Dionysus. And one . . . one is a madman. From Christy Award-winning author Tracy Groot comes a tale of mystery, horror, and hope in the midst of unimaginable darkness: the story behind the Gerasene demoniac of the Gospels of Mark and Luke.

Memoirs of a Madman and November Mar 16 2020 One of Flaubert's earliest writings, but published only after his death, *Memoirs of a Madman* presents us with a young man as he reflects - alternating between musings on the present and memories of the past - on the years that have brought him to "madness", recalling the innocence of his boyhood, the first stirrings of sexual awakening and his abrupt initiation into the adult world. Also included in this volume is another, similarly themed early work, the autobiographical novella *November*, which Nadine Gordimer called "an unsurpassed testament of adolescence".

The Madman of Piney Woods Jan 14 2020 Bestselling Newbery Medalist Christopher Paul Curtis delivers a powerful companion to his multiple award-winning *ELIJAH OF BUXTON*. Benji and Red couldn't be more different. They aren't friends. They don't even live in the same town. But their fates are entwined. A chance meeting leads the boys to discover that they have more in common than meets the eye. Both of them have encountered a strange presence in the forest, watching them, tracking them. Could the Madman of Piney

Woods be real? In a tale brimming with intrigue and adventure, Christopher Paul Curtis returns to the vibrant world he brought to life in *Elijah of Buxton*. Here is another novel that will break your heart -- and expand it, too.

A Madman of Chu Feb 13 2020 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1980.

Diary of a Madman and Other Stories Jun 11 2022 Illuminates the Russian writer's thoughts on madness, bureaucracy, and illusion.

The Diary of a Madman and Other Stories May 10 2022 Gogol's biting satirical comedy, first published in 1835, is an outrageous rant against the civil service and the class system of 19th century Russia. It combines realism with the fantastic and the absurd as one man struggles to be noticed by the woman he adores. Gogol's stories are rooted in commonplace events and his characters are common people but Gogol combined that in a weird world of fantasy, broad comedy and lunacy. Copyright © Libri GmbH. All rights reserved.

The Mind of a Madman Dec 13 2019 Anders Behring Breivik killed more people in his twin terror attack in Norway last year than any lone gunman ever had in peacetime before him. When he was arrested, he claimed to act on behalf of the Knights Templar, a militant network sworn to protect Europe from Islam. But Norwegian police could find no evidence such a group existed. Was Breivik a genuine terrorist, driven by far-right ideology, or a deluded madman? Over the next year, this question would draw in police specialists, lawyers, psychiatrists, and experts in the far-right, culminating in a trial that ceased to be simply about guilt or innocence. Instead, the court would confront a more troubling question: how could such brutal acts become possible for a young man brought up in some of the most privileged parts of Oslo? In "Mind of a

Madman", journalist Richard Orange draws on his own court reporting, three court psychiatric reports, police interviews, and transcripts from the trial to give the most complete account yet of a shocked society's attempt to understand the killer. About the Author: Richard Orange covers Scandinavia for the Daily Telegraph newspaper, reporting from the courtroom during Breivik's trial. Previously, he worked as a foreign correspondent for the paper in Central Asia, and before that in India.

A Madman Dreams of Turing Machines Jun 30 2021 In a saga of genius, madness, and scientific accomplishment, a physicist obsessed with logician Kurt Godel and mathematician Alan Turing chronicles the lives of both men in parallel narratives that reveal each man's great achievements and sorry death.

The Mad Man Mar 28 2021 A philosophy student's research draws him into the sexual underground of 1980s and early nineties New York John Marr is surprised he doesn't have AIDS. He has been having near-daily sexual encounters with strange men since before the dawn of HIV, but he remains healthy. His initiation began in the bathroom of the Staten Island Ferry Terminal, and since then he has found himself at home in the darkest corners of Manhattan's culture of anonymous gay sex. During the day, it is a different story, as Marr works on his graduate thesis—an analysis of the work of a brilliant 1970s philosopher who died mysteriously in one of the gay bars of Hell's Kitchen. As his research and his sex life begin to converge, Marr senses that if AIDS doesn't get him, something darker will. *The Mad Man*, which the author dubbed a "pornotopic fantasy," is more than a powerful work of philosophical erotica; it is a snapshot of a vanished moment in New York City's gay history, when fear and lust commingled in a single powerful force.

Diary of a Madman and Other Stories Jul 12 2022 "Here at last is an accurate and enjoyable rendering of Lu Xun's fiction in an American English idiom that masterfully captures the sardonic wit, melancholy pathos, and ironic vision of China's first truly modern writer." -Michael S. Duke, University of British Columbia The inventor of the modern Chinese short story, Lu Xun is universally regarded as twentieth century China's greatest writer. This long awaited volume presents new translations of all Lu Xun's stories, including his

first, “Remembrances of the Past,” written in classical Chinese. These new renderings faithfully convey both the brilliant style and the pungent expression for which Lu Xun is famous. Also included are a substantial introduction by the translator and sufficient annotation to make the stories fully accessible, enabling readers approaching Lu Xun for the first time to appreciate why these stories occupy a permanent place not only in Chinese literature but in world literature as well.

Mentored by a Madman: The William Burroughs Experiment Feb 19 2023 A fascinating account by one of the world's leading neurologists of the profound influence of William Burroughs on his medical career. Lees relates how Burroughs, author of Naked Lunch and troubled drug addict, inspired him to discover a ground-breaking treatment for Parkinson's Disease. Lees journeys to the Amazonian rainforest in search of cures, and through self-experimentation seeks to find the answers his patients crave. He enters a powerful plea for the return of imagination to medical research.

I Love You Like a Madman Nov 23 2020 Poetry about the thin line between love and obsession.

Diary of a Madman May 30 2021 (Play It Like It Is). The classic heavy metal album, featuring the amazing guitar work of the legendary Randy Rhoads! Includes all the songs from the album, including: Flying High Again * You Can't Kill Rock And Roll * Over The Mountain * Little Dolls * Believer * and more.
