*CIMA E3 Apr 05 2021 Candidates often find business strategy questions particularly difficult, since there is rarely a single correct solution, nor any standard template that can be learned to shape an answer. The Practice and Revision Kit provides a number of exam-style questions to provide valuable practice in tackling the scenario-based questions you should expect to find in the E3 exam. The answer guidance in the Kit highlights the models and ideas you should use to help answer questions, but also reminds you that it is applying knowledge to the specific context of the question scenario that earns marks, rather than simply reciting theories. The Practice and Revision Kit also includes a selection of questions which combine pre-seen and unseen material to reflect the style of questions you will face in Section A of your E3 exam.*
