This is a picture book based on the music video from Wampadoo Kids Songs (available on YouTube). This book is a great way to limit screen time while children still enjoy the songs and pictures from the videos. You can even read it gently and use it as a bedtime story! Every page uses a frame from our video and displays the lyrics in large, easy to read text. The book also includes a coloring book section where your children can add their own artistic touches to the pictures. The Five Little Monkeys Jumping on the Bed book is great for babies and toddlers who will enjoy looking at the pictures. Young children will enjoy singing the songs and even learning to read along with words they have known for years. And kids of all ages will enjoy singing the songs with their parents. All our videos and books take place in the small town of Wampadoo, nestled within ice cream scoop-like rolling hills. The houses are very colorful, generally cylindrical in shape. The town is populated by animals. There is a family of cats (including three little kittens with very cute mittens), a horse who drives a bus (and longs to be the captain of a ship), five little monkeys who love to jump on beds (one of whom is an aspiring rock star), a lion who reads books about how to fly planes, a frog that dreams of swimming with dolphins, two pigs who dream of starting a family, and a wily green bird who loves to torment the bus-driving horse. We are developing this series of books using our library of videos (available on YouTube). The list of videos currently includes: The Wheels on the Bus, File Little Monkeys, Twinkle, Twinkle, Little Star, Ten In The Bed, The Finger Family, Numbers One to Ten, ABC The Alphabet Song, Colors and Letters in Space. It's bedtime at the monkey house, yet the five rambunctious little monkeys keep jumping on their bed until, one by one, each falls off and has to visit the doctor. Mama's out dancing, and Lulu, the babysitter, is in charge. The Five Little Monkeys are supposed to go to bed, but they convince Lulu there's time for just one game of hide-and-seek first . . . and then another, and another . . . until they discover the ultimate hiding place. Lulu is frantic; where can those monkeys be? Vibrant, expressive illustrations in Eileen Christelow's signature style accompany a catchy rhymed text that's great for reading aloud. The refrain invites children to join in; as Lulu counts to 10, 24, and finally 104, young listeners will count along with her. And what little monkey can resist the idea of mischief at bedtime?
