Black Horse Westerns belong to a series published each month by Robert Hale. Son of Lightning is one of ten titles produced during April 1996. 'Black Horse Westerns' feature a range of novels by well-known and sometimes new authors. The common thread running through the series is the focus on cowboys and life during the days of the Wild West. In his welcome to this chronicle of Western Horseman's 75 years, current Publisher Darrell Dodds writes, "On the following pages, former Western Horseman Publisher Randy Witte has authored the most comprehensive history of the magazine that's ever been written." Even more important: "Witte also recognized that a magazine, when done well, can be magical in its ability to educate, inform, entertain and inspire." That belief obviously focuses on the stock-horse industry. But the passion to deliver the "magic" has come from staffers themselves, horse owners as invested in the western lifestyle as the magazine's readership. Among the magicians: Witte's larger-than-life predecessor, Dick Spencer, and longtime Editor Pat Close, who rode 40 years for the brand, and many others on the magazine staff. All, Witte says, contributed to "take the readers to places they'd never go, meet interesting characters they'd never heard of and learn things they'd never imagined." That the magazine continues into its 75th year is testament that throughout its history Western Horseman successfully has pursued these objectives. Caleb Blood was a man who had seen too much blood-letting. He tried to hide inside a whiskey bottle but his demons, past and present, would not let him alone. All the things he should have cherished were being stripped from his life and he had no option but to take up arms again. Once the guns were unlimbered, the death toll mounted and he faced so many

enemies that it seemed he had no chance of survival. When, he wondered, would the killing end? In this thrilling western, the combined sins of a father and son will push a lawman to his limits. There's no taming Billy Blanchard. He's cut from the same rough cloth as his father, Jacob, the man who built the town of Black Horse Creek from nothing. Jacob takes pride in Billy's lawless, wild ways. But when the boy returns home with a stolen horse, having just killed a U.S. Marshal, Jacob knows trouble will be coming. Called in on special assignment, enigmatic former deputy marshal Grayson is asked to find Billy. The marshals would prefer to have him brought in alive. But Grayson knows Billy. He knows his father. And he knows that things don't always go the way the law would like....

'Black Horse Westerns' feature a range of novels by well-known and sometimes new authors. The common thread running through the series is the focus on cowboys and life during the days of the Wild West. The Tengen brothers planned to make themselves all the law there was in Coffin Creek and the surrounding Cochise Country. Then the whole south east corner of Arizona would be theirs to plunder at will. Behind the tin stars they wore, the brothers were killers, pure and simple... But they'd reckoned without Calvin Taylor, former Indian scout turned Wells Fargo agent. Taylor would bring real law and order to the town, even if he had to do it at the point of a gun. The result was an explosion of violence and killing. Blood ran on the streets of Coffin Creek and a twisted trail of vengeance led high into the mountains of Apache country. RIO BONITO: Joe Kettle possessed the grit and fighting blood of his father, and his father before him. And he needed it, for Wilshaw Broome -- once a loyal foreman of the Standing K ranch -- was using hired gunmen in his effort to seize the Kettle domain. Supported by an ageing Hector Chaf and Ben McGovren, Joe sets out to win back his birthright. But each of the three men had his own special reason for going up against overwhelming opposition, and it wasn't all to do with property and livestock. To overcome Broome's force, they would play a waiting game, take advantage of the hidden trails and scrub thickets along the Rio Bonito. Then, when the time was right, they would not hesitate to meet force with force and guns with guns.

LAND OF THE LOST: Young drifter Hal Harper rides into the remote town of Senora when he finds himself looking down the barrels of the law. What Harper does not realise is that the ruthless outlaw Tate Talbot and his gang have managed to get themselves elected as sheriff and deputies. Talbot has discovered that there is a wanted poster on his own head worth a small fortune so he has the ingenious idea of collecting his own bounty by killing the innocent Harper and claiming the drifter is the outlaw known as Diamond Bob Casey. Harper manages to escape to the remote uncharted desert south of Senora but can he survive in the Land of the Lost?

RAWHIDE RANSOM: Cole was a good sheriff, maybe a mite too lenient at times, but when the chips were down, the town of Barberry fully appreciated his prowess with guns and fists. But the didn't know there was a tragedy in his past that would affect his actions -- until a local boy was kidnapped while Cole was supposed to be guarding him. And the only one who could deliver the ransom was Cole himself.

MCGUIRE MANHUNTER: Manhunter Jim McGuire hung up his gun and settled in White Ridge aiming to live a quiet life, but his past profession soon called him back. His young charge Billy Jameson was wrongly accused of murder and the only way to save him from the gallows was to take on an assignment from the corrupt Mayor Jake Nixon. But finding the on-the-run thief Barney Dale wasn't as straightforward as it seemed. Barney was the only witness to a murder committed by Nixon and unbeknown to Jim the mayor has hired ruthless guns to ensure that as soon as he finds Barney both of their lives will be cut short. With the manhunter becoming the hunted man, can Jim defeat the many guns Nixon has lined up against him?

Hale. Dismal River is one of ten titles produced during January 1996. 'Black Horse Westerns' feature a range of novels by well-known and sometimes new authors. The common thread running through the series is the focus on cowboys and life during the days of the Wild West. Marshal Reuben Kane is charged with finding the men who have spread terror and violence in an unprecedented bank robbing spree. It's a routine, albeit dangerous, assignment. Routine, that is, until Reuben discovers Sal McIntyre, badly beaten and left to die by the men he is hunting. Near to her is the body of her murdered husband. Reuben postpones his search in order to nurse the woman back to health, but from the moment she regains consciousness, vengeance is the only thing on her mind. Sal's hatred is all-consuming and, against his better judgement, Reuben finds himself drawn into her ill-conceived plot to kill the men who murdered her husband. Reuben sets out to bring them to justice. But Sal McIntyre wants revenge. At any cost.

But Cal Morgan, a ranch hand for the Bar-Q, has been forced by his ruthless foreman, Latham Parry, to ambush Mitch before he can get to his brother's ranch, the Bar-B. Both men shoot each other - Mitch in the shoulder and Cal in the leg. So begins an unlikely friendship that will endure pain and hardship as well as love. All in the name of the Bar-Q. When Robey Childs's mother has a premonition about her husband, a soldier fighting in the Civil War, she does the unthinkable: she sends her only child to find his father on the battlefield and bring him home. At fourteen, wearing the coat his mother sewed to ensure his

safety—blue on one side, gray on the other— Robey thinks he's off on a great adventure. But not far from home, his horse falters and he realizes the enormity of his task. It takes the gift of a powerful and noble coal black horse to show him how to undertake the most important journey of his life: with boldness, bravery, and self-possession.
