A witty and charming account of the wildly entertaining Elsie de Wolfe in 1950s Hollywood, recounted by her dear friend, the beloved creator of Madeline Ludwig Bemelmans' charming intergenerational friendship with the late-in-life "First Lady of Interior Decoration" provides an enormously enjoyable nostalgia trip to the sun-soaked glamour of Los Angeles, where de Wolfe surrounded herself with classic movie stars and a luminous parade of life's oddities. With hilarity and mischief that de Wolfe would no doubt approve, *To the One I Love the Best* lifts the curtain on 1950s Hollywood--a bygone world of extravagance and eccentricity, where the parties are held in circus tents and populated by ravishing movie stars. Bemelmans, who was working at MGM, had originally come to the California home of de Wolfe just for cocktails but by the end of the night, he was firmly established as a member of the family: given a bedroom in their sumptuous house, invitations to the most outrageous parties in Hollywood, and the friendship of the larger-than-life woman known to her closest friends simply as 'Mother'. *To the One I Love the Best* (which refers to de Wolfe's dog) is a touching tribute to a fabulously funny woman and an American icon. Be pretty if you can, be witty if you must, but be gracious if it kills you. - Elsie de Wolfe Comprised mainly of correspondence, diaries, autobiography, pamphlets, public addresses, and miscellaneous memoranda, this collection includes all of the writings of Theobald Wolfe Tone: barrister, United Irishman, agent of the Catholic Committee, and officer in the French revolutionary army. This is the second of three volumes and covers Tone's attempt to settle in America, the early days in France, his negotiations with the Directory, his entry into the French army, and the expedition to Bantry Bay. When the winter ice melted in April 1850, residents of Saco, Maine, made a gruesome discovery: the body of a young girl submerged in a stream. Thanks to evidence left at the scene, a local physician was arrested and tried for the death of Mary Bean, the name given to the unidentified young girl; the cause of death was failed abortion. Garnering extensive newspaper coverage, the trial revealed many secrets: a poorly trained doctor, connections to an unsolved murder in New Hampshire, and the true identity of Mary Bean - a young Canadian mill worker named Berengera Caswell, missing since the previous winter. *The Murder of Mary Bean and Other Stories* examines the series of events that led Caswell to become Mary Bean and the intense curiosity and anxiety stimulated by this heavily watched trial. these events through a wide-angle lens exploring such themes as the rapid social changes brought about by urbanization and industrialization in antebellum nineteenth-century society, factory work and the changing roles for women, unregulated sexuality and the specter of abortion, and the sentimental novel as a guidebook. She posits that the real threat to women in the nineteenth century was not murder but a society that had ambiguous feelings about the role of women in the economic system, in education, and as independent citizens. *of Mary Bean and Other Stories* features two reprinted accounts of Caswell's death, both fictional and originally printed in the 1850s, as well as an introduction that places these salacious accounts in a historical context. This book serves not simply as true crime but, rather, presents a seamy side of rapid industrial growth and the public anxiety over the emerging economic roles of women. In the fight against the reivers, Thomas leads the charge. But he has a weakness...Lady Maitland "Mae" de Ryes Bowlin is the sister of Thomas' good friend. From setting the goal for the event, to organizing the committee, procuring auction items, building the audience, preparing the catalog and through auction night cashiering (check out) services, everything you will want to know about the auction process is readily at your fingertips in this resource guide. The book will not only contain important "how to" information, it will also explain why some decisions and activities are not only good practices, they are essential to having a well-run and efficient event. Also, the book will discuss important strategies for maximizing revenue at your event, and will cover common pitfalls and how to avoid them. The American decorator Elsie de Wolfe (1858–1950) was the international set's preeminent hostess in Paris during the interwar years. She had a legendary villa in Versailles, where in the late 1930s she held two fabulous parties—her Circus Balls—that marked the end of the social scene that her friend Cole Porter perfectly captured in his songs, as the clouds of war swept through Europe. Charlie Scheips tells the story of these glamorous parties using a wealth of previously unpublished photographs and introducing a large cast of aristocrats, beauties, politicians, fashion designers, movie stars, moguls, artists, caterers, florists, party planners, and decorators. A landmark work of social history and a poignant vision of a vanished world, Scheips's book belongs on the shelf with Abrams' classics such as Slim Aarons: Once Upon A Time and Tony Duquette. Being part of the renown Wolfe family comes with many expectations... unless you are the only lass to have been born into it for many generations. Sheltered from the world, Ginny O'Faolain has been raised amongst warriors but denied any opportunity to prove herself worthy of her name. Her mama would rather protect Ginny than allow her a chance to help her people. Fed up, Ginny is determined to learn to fight and honor her Wolfe family heritage. Unfortunately, the warrior she is ordered to train with loathes her, and she isn't fond of the lout, either. Keegan Mac Carthaigh is one of the king's most trusted warriors, loyal, and capable in battle. But when he is commanded to train the most frustrating lass in the entire village, he is not so certain he is up to the task. The Wolfe lass is naught but a thorn in his side: stubborn, impulsive, and foul-mouthed. And now, he must spend every day training her to fight, an impossible task and one that may drive him mad. But when tempers flare and fire meets fire, an attraction burns brighter than either of them could have ever imagined. He went from not being able to stand the lass, to suddenly wanting to devour her. He's a veritable god of beauty, position, and talent. She's a lady of sweetness, wealth, and compassion. When gorgeous Cassius de Wolfe falls for a plain but sweet lady, the woman who hoped to have his affection doesn't take kindly to it. Cassius has set himself up for retribution of the female kind. As the old saying goes, there's nothing like a woman scorned? Or a de Wolfe protecting his mate. Cassius de Wolfe, second son of Patrick "Atty" de Wolfe (Nighthawk), has made a name for himself as the Great Protector of Edward I. Cassius is the beauty of the family - handsome, skilled, built like the statue of a Greek god. He has no problem getting women into his bed and in London, they follow him around in droves. Cassius is a Medieval celebrity. But all of that is secondary to the fact that Cassius is a truly skilled knight. He's a de Wolfe and that means the knighthood lives in him as surely as the sun lives in the sky. After two years away, he's finally earned the chance to return home to see his father and mother and family, so on the eve of returning home, Fate has something else in mind for him. Dacia of Doncaster is the heiress to a massive fortune. With both parents deceased, she is an only child, living with her elderly grandfather, the Duke of Doncaster. The old duke descends from an ancient royal line and Dacia is the very last of her kind? and a hugely sought-after bride. There's only one problem - she's not what men would consider traditionally beautiful. When Cassius the Handsome comes face to face with Dacia of Doncaster, a chance meeting turns into something more. Cassius wasn't looking for a bride and Dacia wasn't looking for a husband, but when Dacia saves Cassius' life, it's more than a debt of honor he feels towards her. Join Cassius and Dacia for an unusual - and truly beautiful - love story.
