As recognized, adventure as skillfully as experience roughly lesson, amusement, as with ease as understanding can be gotten by just checking out a ebook **Phenomena The Lost And Forgotten Children** then it is not directly done, you could admit even more re this life, just about the world.

We provide you this proper as with ease as easy mannerism to get those all. We provide Phenomena The Lost And Forgotten Children and numerous book collections from fictions to scientific research in any way. in the midst of them is this Phenomena The Lost And Forgotten Children that can be your partner.

Yeah, reviewing a books **Phenomena The Lost And Forgotten Children** could be credited with your close associates listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have astounding points.

Comprehending as competently as settlement even more than other will allow each success. adjacent to, the declaration as skillfully as perspicacity of this Phenomena The Lost And Forgotten Children can be taken as competently as picked to act.

Eventually, you will utterly discover a further experience and endowment by spending more cash. yet when? pull off you allow that you require to acquire those every needs considering having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to understand even more on the subject of the globe, experience, some places, later history, amusement, and a lot

more?

It is your unquestionably own get older to con reviewing habit. among guides you could enjoy now is **Phenomena The Lost And Forgotten Children** below.

Recognizing the pretentiousness ways to get this books **Phenomena The Lost And Forgotten Children** is additionally useful. You have remained in right site to start getting this info. get the Phenomena The Lost And Forgotten Children belong to that we present here and check out the link.

You could purchase lead Phenomena The Lost And Forgotten Children or get it as soon as feasible. You could quickly download this Phenomena The Lost And Forgotten Children after getting deal. So, subsequent to you require the book swiftly, you can straight get it. Its therefore agreed simple and thus fats, isnt it? You have to favor to in this proclaim

Four Filipino-American children named John, Kevin, Maria Isabelle, and Erickson tell their story on how they journeyed towards finding their biological American fathers and how they battled persecution, racism, discrimination, and poverty throughout their journey. In spite of the challenges, they remained faithful to their family, God, and their dreams to see and meet their biological fathers. They were forced to be strong or they will not survive but in the end they found closure, love, and forgiveness. May their stories move the hand of the US Congress to revise the "US Amerasian Act of 1982" to include the Fil-Am Children. In a post-apocalyptic world, most people by age thirty have succumbed to the Sickness, a mysterious deadly illness. But the Sickness is not the only enemy for Collin

Mann's city. Hordes of deranged killers live in the hills around it. With few trained protectors, the future of the little city looks bleak. Collin, fifteen years old, buries those the Sickness consumes. Slight and awkward, he shuns warrior training, avoiding the example of his big brother and guardian. When killers attack at the watering hole, he's called to step forward and defend. Instead, he freezes. He's ashamed. His people need him to fight. But can he do it? Or would a clumsy person like himself make any difference in the battle for existence?

Romania's Abandoned Children reveals the heartbreaking toll paid by children deprived of responsive care, stimulation, and human interaction. Compared with children in foster care, the institutionalized children in this rigorous twelve-year study showed severe impairment in IQ and brain development, along with social and emotional disorders. Explores the effect of the challenges of World War II on American children and teenagers.

Denny Abbott first encountered the Alabama Industrial School for Negro Children at Mt. Meigs as a twenty-one-year-old probation officer for the Montgomery County Family Court. He would become so concerned about conditions for black juvenile offenders there--including hard labor, beatings, and rape--that he took the State of Alabama to court to win reforms. With the help of the U.S. Justice Department, Abbott won a resounding victory that brought change, although three years later he had to sue the state again. In *They Had No Voice*, Abbott details these battles and how his actions cost him his job and made him a pariah in his hometown, but resulted in better lives for Alabama's children. Abbott also tells of his later career as the first national director of the Adam Walsh Child Resource Center, where he helped focus attention on missing and exploited children and became widely recognized as an expert on children's issues. Depict the plight of children around the world, including victims

of war, disease, and abuse. AIDS breaks the rules of dying. It strikes the young rather than the old, decimating families and devastating communities. It will leave as its legacy a generation of orphans - traumatized by multiple losses, isolation, stigma, and grief. By the turn of the century, more than one hundred thousand children and youth in the United States - and ten million worldwide - will lose their parents to AIDS. Written by professionals in medicine, law, social work, anthropology, psychiatry, and public policy, this volume is the first full-length look at the issues facing children whose parents and siblings are dying of AIDS: what children experience, how it affects them, how we can meet their emotional needs and help them find second families, how we can counter the stigmas they face. Authors explore ways to promote resilience in these AIDS-affected children. Stories of the children and their caretakers, told in their own words, are woven throughout. Pioneering and practical, the book presents an action agenda and resource directory for our nation's policymakers as well as for parents and those who work with children in both formal and informal settings.

Virginal, chaste, humble, patiently waiting for rescue by brave knights and handsome princes: this idealized - and largely mythical - notion of the medieval noblewoman still lingers. Yet the reality was very different, as Kelcey Wilson-Lee shows in this vibrant account of the five daughters of the great English king, Edward I. The lives of these sisters - Eleanora, Joanna, Margaret, Mary and Elizabeth - ran the full gamut of experiences open to royal women in the Middle Ages. Living as they did in a courtly culture founded on romantic longing and brilliant pageantry, they knew that a princess was to be chaste yet a mother to many children, preferably sons, meek yet able to influence a recalcitrant husband or even command a host of men-at-arms. Edward's daughters were of course expected to

cement alliances and secure lands and territory by making great dynastic marriages, or endow religious houses with royal favour. But they also skilfully managed enormous households, navigated choppy diplomatic waters and promoted their family's cause throughout Europe - and had the courage to defy their royal father. They might never wear the crown in their own right, but they were utterly confident of their crucial role in the spectacle of medieval kingship. Drawing on a wide range of contemporary sources, *Daughters of Chivalry* offers a rich portrait of these spirited Plantagenet women. With their libraries of beautifully illustrated psalters and tales of romance, their rich silks and gleaming jewels, we follow these formidable women throughout their lives and see them - at long last - shine from out of the shadows, revealing what it was to be a princess in the Age of Chivalry.

In a world dominated by poverty, a central characteristic has been the plight of orphans and abandoned children. Over the centuries, State, Church and individuals have all attempted to tackle the issue, but can we trace any change over the course of time when it comes to the welfare system intended for these disadvantaged children and acts of philanthropy? What kind of social policies did States follow and what were the main differences between countries and regions? Drawing on historical evidence across several centuries and a range of European countries, the contributors to this volume provide a transnational overview. This book is a collection on abandoned children illustrating the need to contextualise their position in particular cultural situations.

*Forgotten Children's Songs - Mandolin Songbook for Beginners with Tabs and Chords* If in the book "50 Timeless Children Songs with Tabs and Chords," we presented the 50 most popular children's songs of today's era. But in this book, "Forgotten Children's Songs," we presented 40 children's songs that were popular around 1880.

We immediately notice that the repertoire of songs from those days is quite different from a set of modern children's folk songs. But this is not surprising. Most of these children's songs, such as "Mary Had a Little Lamb," "Humpty Dumpty," "Row, Row, Row Your Boat," and the like, most likely got their final shape right in the mid-1800s. William Wells Newell (1839-1907), a folklorist, the founder of the American Folklore Society, collected the most popular children's songs on his travels in the United States. In the book "Games and Songs of American Children" from 1884, we notice songs that are hardly sung by today's children. At the time of publication of this book, "Forgotten Children's Songs," we do not find most of these songs even on almighty Youtube. The other half of the songs in this book are songs that were once so popular that we find them in almost every old book. But nowadays they have almost disappeared from children's games. There are, of course, several reasons for the loss of popularity. Former educational songs became almost banned in modern education. We avoid, for example, mentioning acts of violence, such as the once-daily hunt in the song "Hare and Hunter." For example, we avoid former worldviews, like "What care we for gold or silver?". Nowadays, we can hardly imagine a child singing "I'm glad I am a farmer." It is better not to talk at all about old archetypal ballads that do not correspond to our advertised notion of modern life. And so on. In short, before us is a new book of slightly older but once most popular children's songs that portray the world in a slightly different way. Book benefits Collection of 40 once most popular, but nowadays forgotten old-time children's songs. Suitable for parents and children. With a melody in standard notation and tablature, chord diagrams, and lyrics. Included free, online audio tracks for all songs, with solo and basic chord changes. Intended for anyone who would like to

increase the repertoire of songs. Suitable for playing solo melodies, accompaniment of singing with chords, and playing in a duet. Suitable for use with other books for guitar, guitalele, mandolin, Cigar Box Guitar, baritone ukulele, and tenor banjo from the same book collection. Songs from the Forgotten Children's Songs Aiken Drum Beautiful Sea Bobby Shafto's Gone to Sea Ding, Dong, Bell Dance, Thumbkin, Dance Do, Do, Pity my Case Frog Went a-Courting Frog Pond Go Round and Round the Valley Green Gravel Hare and Hunter Here Comes a Lusty Wooer King William was a King James's Son I'll Give to You a Paper of Pins If All The World Were Paper Little Harry Huges and the Duke's Daughter Lazy Mary Natural History My Pretty Maid Oranges and Lemons Paul's Steeple Poor Dog Bright Rosalind The Farmer Soldier, Soldier, Will You Marry Me The Four Presents The Jolly Tester The Little Woman The Little Bird The Old Man Clothed in Leather The Old Man in the Wood The Old Woman of Norwich The Plough Boy In Luck There She Stands, a Lovely Creature Three Children Sliding on the Ice What Care We for Gold or Silver When I Was a Shoemaker Which Way Does the Wind Blow Who'll Be the Binder Ye Jolly Miller Excerpt from Forgotten Children's Books: Brought Together and Introduced to the Reader Had I not already possessed Copies of most of the treasures kindly placed at my disposal by Miss chamberlayne, Mrs. Field, Miss edith C. Pollock, mr., james F. Armstrong, (to whom I am indebted for the loan of the pretty wooden blocks on pages 28, 29, 30 and others, engraved by Bewick) Mr. J. Potter briscoe Mr. Joseph W. Darton, Mr. F. Hockliffe, Mr. Elkin mathews, Mr. George potter, and other collectors of forgotten children's books - whom I heartily thank - they would have been drawn upon much more largely. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find

more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. Illustrations and extracts from old children's books. Includes sections on street cries, morals and manners, nursery rhymes, periodicals, and books of instruction. Can a principled man come to terms with the guilt of his sins and save civilization from disaster? 'The history of childhood is an area so full of errors, distortion and misinterpretation that I thought it vital, if progress were to be made, to supply a clear review of the information on childhood contained in such sources as diaries and autobiographies.' Dr Pollock's statement in her Preface will startle readers who have not questioned the validity of recent theories on the evolution of childhood and the treatment of children, theories which see a movement from a situation where the concept of childhood was almost absent, and children were cruelly treated, to our present western recognition that children are different and should be treated with love and affection. Linda examines this thesis particularly through the close and careful analysis of some hundreds of English and American primary sources. Through these sources, she has been able to reconstruct, probably for the first time, a genuine picture of childhood in the past, and it is a much more humane and optimistic picture than the current stereotype. Her book contains a mass of novel and original material on child-rearing practices and the relations of parents and children, and sets this in the wider framework of

developmental psychology, socio-biology and social anthropology. *Forgotten Children* admirably fulfils the aim of its author. In the face of this scholarly and elegant account of the continuity of parental care, few will now be able to argue for dramatic transformations in the twentieth century. In 1959 David Hill's mother - a poor single parent living in Sussex - reluctantly decided to send her sons to Fairbridge Farm School in Australia where, she was led to believe, they would have a good education and a better life. David was lucky - his mother was able to follow him out to Australia - but for most children, the reality was shockingly different. From 1938 to 1974 thousands of parents were persuaded to sign over legal guardianship of their children to Fairbridge to solve the problem of child poverty in Britain while populating the colony. Now many of those children have decided to speak out. Physical and sexual abuse was not uncommon. Loneliness was rife. Food was often inedible. The standard of education was appalling. Here, for the first time, is the story of the lives of the Fairbridge children, from the bizarre luxury of the voyage out to Australia to the harsh reality of the first days there; from the crushing daily routine to stolen moments of freedom and the struggle that defined life after leaving the school. This remarkable book is both a tribute to the children who were betrayed by an ideal that went terribly awry and a fascinating account of an extraordinary episode in British history. In 1739 Captain Thomas Coram was dismayed at the sight of children dying on the dung heaps of London. These children, mostly foundlings and orphans, were products of a poverty-stricken society where the attitude towards babies born outside of wedlock meant a life of rejection and inferiority. After seventeen years of campaigning, Coram managed to persuade sufficient 'persons of quality and distinction' to support his petition to the king to grant a Royal

Charter for the building of the Foundling Hospital in Bloomsbury. Over the next few years, children were brought to the Foundling Hospital for shelter. There they were provided with excellent healthcare and an education fit for their station in life, before apprenticing the boys to learn a trade and the girls to domestic service. This fascinating history of the first children's charity charts the rise of this incredible institution, and examines the attitude towards foundlings as illegitimate children over the years. Reliving the experience through the voices of past members of the hospital, this book is a fascinating social history of one of London's worst cases of poverty. Abuses by private security forces.

Forgotten Children's Songs - Cigar Box Guitar GDG Songbook for Beginners with Tabs and Chords

If in the book "50 Timeless Children Songs with Tabs and Chords," we presented the 50 most popular children's songs of today's era. But in this book, "Forgotten Children's Songs," we presented 40 children's songs that were popular around 1880. Little Bird The Old Man Clothed in Leather The Old Man in the Wood The Old Woman of Norwich The Plough Boy In Luck There She Stands, a Lovely Creature Three Children Sliding on the Ice What Care We for Gold or Silver When I Was a Shoemaker Which Way Does the Wind Blow Who'll Be the Binder Ye Jolly Miller The Home for Unwanted Girls meets Orphan Train in this unforgettable novel about a young girl caught in a scheme to rid England's streets of destitute children, and the lengths she will go to find her way home—based on the true story of the British Home Children. 2018 At ninety-seven years old, Winnifred Ellis knows she doesn't have much time left, and it is almost a relief to realize that once she is gone, the truth about her shameful past will die with her. But when her great-grandson Jamie, the spitting image of her dear late husband, asks about his family tree, Winnifred can't lie any longer, even if it means breaking a promise she made so long ago... 1936 Fifteen-year-old Winny has never known a real home. After running away from an abusive stepfather, she falls in with Mary, Jack, and their ragtag group of friends roaming the streets of Liverpool. When the children are caught stealing food, Winny and Mary are left in Dr. Barnardo's Barkingside Home for Girls, a local home for orphans and forgotten children found in the city's slums. At Barkingside, Winny learns she will soon join other boys and girls in a faraway place called Canada, where families and better lives await them. But Winny's hopes are dashed when she is separated from her friends and sent to live with a family that has no use for another daughter. Instead, they have paid for an indentured servant to work on their farm. Faced with this harsh new reality, Winny clings to the belief that she will someday find her friends again. Inspired by true events, *The Forgotten Home Child* is a moving and heartbreaking novel about place, belonging, and family—the one we make for

ourselves and its enduring power to draw us home. In 1739, the London Foundling Hospital opened its doors to take in the abandoned children of the city. It was the culmination of seventeen years of campaigning by Captain Thomas Coram, driven by his horror at seeing children die in the streets. He was supported in his endeavours by a royal charter and by William Hogarth and George Frideric Handel. The Hospital would continue as both home and school for over 215 years, raising thousands of children until they could be apprenticed out.

London's Forgotten Children is a fascinating history of the first children's charity, charting the rise of this incredible institution and examining the attitude towards illegitimate children over the years. The story comes alive with the voices of children who grew up in the Hospital, and the concluding, fully updated, account of today's children's charity Coram is an ongoing testament to the vision of its founder. The forgotten children of London are going missing, apparently being sold by their own families. Can she save them before it's too late... Flora Maguire's life is perfect – a beautiful home in Belgravia teeming with servants, a loving husband, and new baby Arthur to enjoy. But when she is invited to tour St Philomena's Children's Hospital in deprived Southwark, she gets a harsh insight into the darker side of Edwardian London. Shocked by the conditions people are living in, she soon uncovers a scandal with a dark heart – children are going missing from the hospital, apparently sold by their own families, and their fate is too awful to imagine. With the police seemingly unable or unwilling to investigate, Flora teams up with the matron of the hospital, Alice Finch, to try to get to the bottom of it. Soon Flora is immersed in the seedy, dangerous underbelly of criminal London, and time is running out to save the children. Will they get to them in time, or was their fate decided the day they were born poor... A collection of

scenes from various children's books. Denny Abbott first encountered the Alabama Industrial School for Negro Children at Mt. Meigs as a twenty-one-year-old probation officer for the Montgomery County Family Court. He would become so concerned about conditions for black juvenile offenders there—including hard labor, beatings, and rape—that he took the State of Alabama to court to win reforms. With the help of the U.S. Justice Department, Abbott won a resounding victory that brought change, although three years later he had to sue the state again. In *They Had No Voice*, Abbott details these battles and how his actions cost him his job and made him a pariah in his hometown, but resulted in better lives for Alabama's children. Abbott also tells of his later career as the first national director of the Adam Walsh Child Resource Center, where he helped focus attention on missing and exploited children and became widely recognized as an expert on children's issues. A 2012 Coretta Scott King Author Honor Book

This gorgeous picture book by Newbery Honor winner Patricia C. McKissack and two-time Caldecott Medal-winning husband-and-wife team Leo and Diane Dillon is sure to become a treasured keepsake for African American families. Set in West Africa, this a lyrical story-in-verse is about a young black boy who is kidnapped and sold into slavery, and his father who is left behind to mourn the loss of his son. Here's a beautiful, powerful, truly unforgettable story about family, memory, and freedom. "Forceful and iconic," raves Publishers Weekly in a starred review. A woman's search to find her son uncovers the shocking truth about one of Britain's darkest periods

Struggling with the demons of her past, Emily is a children's author with a dark secret, and a guilt that threatens to consume her. For twenty years she has lived in Brighton, England, trying to forget the day they took her baby from her, just hours after he was born. But now, in the summer

of 1987, she decides to begin the search for her son. Emily takes refuge in a small town on the Isle of Anglesey to plan the search, where she meets Walter, a gentle stranger, who helps her with his words of wisdom and kindness. But it is when she decides to return home to Hastings, that she really has to face her demons. Estranged from her parents when she was just sixteen, Emily is shocked by what her mother has to tell her about events that occurred before Emily was even born. Beside her, throughout her search, is Emily's beautiful Irish friend, Geraldine, recovering from her own sad experiences. Together they uncover a truth that shocks them all. *The Forgotten Children* draws the reader into lives affected by narrow-minded beliefs and blinkered thinking at the highest level. Children who weren't allowed to be born, children who were abandoned, and children who were taken, forced to lead a life thousands of miles away from everyone and everything they knew – leaving scars that may never heal. At its heart, *The Forgotten Children* is a story of survival, but the journey that Emily has to take is painful. Even more so because she knows it was allowed to happen by individuals, religions and governments, who should have known better. For more information about Isabella Muir's full range of novels, visit: [www.isabellamuir.com](http://www.isabellamuir.com)

From marketing maven to angel of the garbage district—the inspiring authorized biography of Maggie Gobran, the “Mother Teresa of Egypt.” Since 1997, Maggie Gobran and her organization Stephen's Children have been changing lives in Cairo's notorious zabala, or garbage slums. Her innovative, transformational work has garnered worldwide fame and multiple Nobel Prize nominations, but her full story has remained untold—until now. Bestselling authors Martin Makary and Ellen Vaughn chronicle Mama Maggie's surprising pilgrimage from privileged child to stylish businesswoman to

college professor pondering God's call to change. She answered that call by becoming the modest figure in white who daily navigates piles of stinking trash, bringing hope to the poorest of the poor. Smart and savvy, as tough as she is tender, Maggie Gobran is utterly surrendered to her mission to the "garbage people" who captured her heart. At her request, the book also spotlights the people she serves—the men, women, and children who prove every day what a little bit of help and a lot of love can do. "In *Forgotten Citizens*, Luis Zayas draws on his extensive research and experience as a psychological evaluator to present the most complete picture yet of the mental health and lasting trauma experienced by US citizen-children who are threatened with the fate of exile or orphan."--

24 stories from today's best Indian authors

India's literary tradition has found a growing audience around the world. Many talented writers have arrived on the scene, each illuminating different parts of the Indian experience, from years of colonial rule to the unique challenges of life in the West. This important anthology includes short stories and novel excerpts from Salman Rushdie, Kiran Desai, Rohinton Mistry, Jhumpa Lahiri, Ruth Praver Jhabvala, Anita Desai, Bharati Mukherjee, R. K. Narayan, and sixteen more.

Coahoma - The black panther is Chief Ituha's son, a natural leader, training to become a healer, falls in love with Ethane'. Moki - The white tailed buck is Makah's son, an empath, loves working with plants, and is training to become a healer. Fala - The crow is Lanto's son, has a good sense of humor, but doesn't like his animal spirit, training to become a healer. Laurel - The Old Woman Who Walks with a Bear, is a gifted medicine woman, fights the white witches and giants. Chief Ituha - Chief of the Choctaw, Coahoma and Dakota's father, works with Laurel to save his tribe from the giants. Pontiac - He is Laurel's apprentice who is possessed by Lugh's

spirit. He loses his battle and mutates into a werewolf. Tiponi - She is Alawa and Nashoba's daughter who is possessed by Morrigan. Dakota - Coahoma's brother is a fearless leader who wants to be chief, falls in love with Nita, and fights the giant Alli. Tecumseh - Laurel's deceased husband, warns Laurel about Pontiac and Tiponi's possession, protects Laurel. Aylwen and Wakie Wisag Lugh - The Ole' Wolf is a red haired elite Aylwen warrior who becomes a shaman, and his dream is to be a werewolf. Morrigan - She is Lugh's wife, a master shaman, mother of Ethane' and five sons, and seeks her revenge through Tiponi. Ethane' - Lugh and Morrigan's daughter is a tall blue eyed teenager who is betrothed to the prince, and is kidnapped. Dahey - He is Lugh and Morrigan's son who travels to the Choctaw village to save his father and massacre the village. Bradan - He is one of Lugh and Morrigan's twin sons who plans to save his father and massacre the Choctaw village. Tomas - He is Bradan's twin. He travels with his brothers to the Choctaw village to save his Pa. Cu Chulainn - He is the ten foot elite warrior who travels with the prince on the Dragon Lady to fight the Choctaw. Kenji - He is a gifted dwarf shaman of the Wakie Wisag tribe, Gaim's friend, and fights the blood brothers. Prince Sangann - He is King Gann's son, an elite Aylwen warrior, betrothed to Ethane', leads his warriors to the Choctaw. Coahoma wakes up and sees a shadow person hovering beside him. When it fades from sight, he hears an ominous timber wolf howling in the distance. When his mother shares a bad dream that she had about him, he defies her wishes to abandon the path that he has chosen - to become a healer. He tells her not to worry about the wolf. Coahoma, Moki, and Fala are anxious to journey into the Spirit World to spy on the Soul Robber. These blood brothers are disappointed when Laurel reads her old bones and decides to take the boys to see Kachina, the Guardian of the

Bees instead. Coahoma watches Pontiac while they are with Kachina and realizes that this trip is a healing lesson. He learns the plant names that make up the Sacred Seven. After they return and things quiet down, Laurel receives a message that wolves are attacking her bear. She arms herself and rushes to him. She battles this pack and eventually kills a strange tattered wolf. She realizes that he is a shape shifter and tells Pontiac to rip out his heart. When Pontiac performs this ancient ritual, he traps Lugh spirit in him. Tecumseh travels from the Happy World to warn Laurel that Lugh's wife is coming to get her revenge for her husband. She takes possession of Tiponi and uses her as an avatar to be near Lugh. She also sends her three sons: Dahey, Bradan, and Tomas to this remote village to behead the men and bring their heads back to her. She hopes to find Lugh's spirit and return it to him. The blood brothers disobey Laurel and follow her across the Ohi:Yo' River and into the Land of the Giant blonde hair sorcerers to learn their black magic and to learn the identity of these white witches that possess Pontiac and Tiponi. While they are spying on this village, they run into a hideous ghost named Donehogawa and Coahoma falls in love with Ethane', the Ol' W
