language for the speaking level A1, it is also a good exercise of the Cyrillic alphabet at the same time. The vocabulary list in Serbian - English is located at the end of the book. For more details visit www.serbian-reader.com Level A1 (GERS) - (ACTFL - Novice Mid/High)

Speaking Maltese May 21 2020 Speaking Maltese contains 22 realistic dialogues, with parallel translations, to help you learn Maltese, improve your reading and listening skills and at the same time work on your speaking skills without having constantly to look in a dictionary. After each dialogue is a detailed table containing new verbs so you can familiarise yourself with how Maltese grammar works.

The Vocabulary Files Dec 16 2019 This student text book is aimed at Pre-Intermediate A2 level learners. The aim of the series is to give students the chance to expand their vocabulary in different areas. Each unit deals with a common vocabulary topic; the vocabulary is taught through a variety of exercises with lots of illustrations to make them more lively and interesting. This series can be used as Time Fillers; when teachers have some extra time and they need something to do to help students revise what they have already been taught. Alternatively, it can also be used to help weak students enrich their vocabulary in various common topics.

Recolectores de hongos. Spanish story with parallel translation into English. Levels A1 – B2 Oct 26 2020 In the book there is a Spanish story with parallel translation into English (the Spanish text is on the right, the English text is on the left). It is recommended to a wide range of people studying Spanish, starting from the level A1: you must be able to read in Spanish. I recommend to practice reading skills, learn new words and idioms for the beginners. At a higher level, you also need to retell the content close to the text. The book contains 1127 words and idioms.

The Grammar Files Feb 16 2020 This is the teachers edition of the textbook of the same name. It consists of 15 4-page units, that deal with the most important Grammar points. Each unit starts by briefly introducing the new Grammar point and then students have to practise a variety of exercises. These books can also be used as time fillers; perfect for when teachers have some extra time at the end of a lesson, or want to revise a specific Grammar point. Levels B1, and B2 have also been written for students who are planning to take the IELTS exam. Although Grammar is not tested directly on the IELTS, it is tested indirectly in the speaking and writing sections of the exam. You can gain or lose points based on your command of English grammar. Therefore, it would help to undertake a general review of English grammar while preparing for the IELTS.

Practise Spanish Aug 16 2022 Practice and improve your Spanish to complete the A1-level More than 30 interactive exercises are waiting for you. The following book is meant to help you with the application of the Spanish-language if you are a beginner. I tried to mimic the mechanics of my classes and put it into the exercises I have crafted for this book. In my classes I work from the very first minute on with pure interaction, making the students talk as much as they are able to. Of course it is impossible to give them a topic and tell them to talk freely about it at the beginning. But what I have found that is absolutely possible is a) to work with questions and answers and create thus as much interaction as possible b) to prepare a text through the aforementioned Q&A-routine so that the student can talk about the text freely. c) to create free applications based on the aforementioned routines a) and b). This book provides the opportunity to students to study on their own or with a partner or even in a class context with a teacher to use the suggested routines and therefore make use of the benefits that this methodology provides and reach the A2-level in Spanish with ease. In case you are interested in a Spanish-course with a unique methodology and guaranteed success, please go to www.idiomata.org and contact me!

English for Everyone Oct 14 2019 A three-level English Course book for teenage and young adult learners. 'English for Everyone' covers all the things taught at A1 to C1 (CEF) level. This book is designed to enable its readers to become skilled at Spoken English. Whenever we talk about learning English, we start talking about tenses, grammar and vocabulary. Memorize tenses, master grammar and mug up some commonly used words and you will master English. But despite learning tenses, grammar and vocabulary, people are unable to converse in English effectively. Why? Because this is not the right method to learn English. Let me ask you something. If you are an Indian, you can probably speak Hindi well. Have you ever learnt Hindi tenses? Have you ever learnt Hindi grammar rules or Hindi word meanings? I believe that

your answer is 'No' with a capital 'N'. Then how do you speak Hindi or your mother tongue fluently? Think hard. Nobody talks about learning tenses or grammar when it comes to speaking Hindi proficiently. But everyone talks about learning tenses, understanding grammar and strengthening vocabulary when it comes to speaking English fluently. English or any language, for that matter, is learnt by using it in practice. Let me ask you how any child learns his mother tongue. How an Englishman's baby learns English and an Indian's child learns Hindi. When a child is born, the environment around him teaches the language. He hears the language in the background and that serves as a kind of practice for him. Listening to the language repeatedly enables the child to start understanding it. He tries speaking and becomes fluent in the language in a few months. We will apply a similar method to learn English in this course. The lessons in this book will help you to practice the English language in everyday situations. We will not focus on theory. We will focus on practice. We understand that there are many people out there who know the theories of grammar but are very poor at spoken English. This is because knowing concepts is not equal to applying concepts. In this course, every lesson will help you to apply and not simply know concepts. This is how language is learnt. This is how you will learn English too. All the best!

Darakwon Korean Readers - The Story of Heungbu (??? ??? ??? - ???) Oct 06 2021 About This Book The “Darakwon Korean Readers” series is comprised of books that recompose classic Korean literary works to match the reading levels of students from beginner to advanced levels (A1~C2) so

students can easily increase their Korean reading comprehension skills in a fun way. The third literary work in this series, “The Story of Heungbu,” adapts a classic Korean novel about Nolbu, a greedy brother who wants to keep the assets left by his parents all to himself, and his poor but kind younger brother Heungbu. As students enjoy reading this story, they can naturally become familiar with vocabulary words and expressions that are essential for the intermediate level. In addition, through explanations about the historical background, students can understand the culture of that time period. Not only can students read the content, they can also listen to it by scanning QR codes to hear recordings of professional voice actors reading the story. Students can also use the English translations of the story and questions in the appendix at the end of the book to check their reading comprehension skills. ? The “Darakwon Korean Readers” series adapts classic Korean tales into modern Korean suitable for beginner to advanced levels. Each book presents vocabulary words and expressions that align with the standards of the International Standard Curriculum for Korean Language and Korean Language Education Vocabulary Content Development. Students can have fun as they easily read and understand each story. ? English translations of vocabulary words that are necessary for understanding the story are presented at the bottom of each page, as well as additional English explanations about grammar, expressions, and cultural background, allowing students to concentrate on reading without using a dictionary. In addition, students can easily check an English translation of the entire story in the appendix of the book. ? Students can listen to lively recordings done by professional voice actors by scanning the QR code on each page of the story. By looking at illustrations of the story’s main scenes and listening to the voice recordings, students can not only improve their listening skills, they can also vividly understand the emotions of the characters. ? Using a variety of questions in the book’s appendix, students can check their reading comprehension and practice sentence structures and vocabulary words that they should know for each corresponding level. In addition, students can compare various cultural situations with Korean culture through thought expansion questions based on the content of the story. ??? ??? MP3(CD) ??? ???

Serbian: Vocabulary Practice A1 to the Book "Idemo dalje 1" - Latin Script

Oct 18 2022 The "Serbian: Vocabulary Practice A1 for the book 'Idemo dalje 1' (Language Level A1 - Beginner) was developed as a supplement to the reading book "Serbian: Idemo dalje 1". The vocabulary practice contains alphabetically arranged words, terms and expressions that can also be found in the reading book, and for each word there is one or more sentences as an example. All words and phrases are written in Latin script and a translation into English is available for all words and phrases. * The vocabulary practice can also be used independently of the rest of the accompanying material, as a stand-alone reading or as a reference book when learning Serbian. * The same version of the book is also optionally available in Cyrillic script. For more information about this and other books in the "Serbian Reader" series, please visit: www.serbian-reader.com
