In addition, full alphabetical indices of both Japanese and English words give instant access to the correct illustration. Exceptionally wide coverage is provided under the following major headings: the atom, the Universe, and the Earth; man and his social environment; nature as

environment, agriculture, and forestry; trades, crafts, and industry; printing industry; transport communications and information technology; office, bank, stock exchange; community; recreation, games, and sport; entertainment, culture, art, animals and plants. This unique work challenges the assumption that dictionaries act as objective records of our language, and instead argues that the English dictionary is a fundamentally ethnocentric work. Using theoretical, historical and empirical analyses, Phil Benson shows how English dictionaries have filtered knowledge through predominantly Anglo-American perspectives. The book includes a major case study of the most recent edition of the Oxford English Dictionary and its treatment of China. CD-ROM includes: Everything in the dictionary, plus extra words and examples; pronunciation for listening and practicing; search options for words used in Finance, Marketing, HR, etc.; listening exercises to prepare for the BEC exams; grammar and vocabulary exercises. This is a practical and realistic book for parents on how to recognize and deal with evidence of drug use among their children and their children's friends. The authors help parents to identify the sometimes subtle signs of drug use as well as identifying which drugs are being taken. They show parents how they can then move on to the next, very important step of establishing a constructive and caring dialogue with the child - something many find extremely difficult. The purpose of this book is not only to serve as an English-Spanish reference work to look up a term when needed, but also as a guide to learn the most frequently used legal terms. Learn just a few terms every day, and soon you will be acquainted with the most common legal terminology in English and Spanish. Provides

entries for over 315,000 words and phrases, and includes a list of new words. Here is a dictionary of basic terms for literature, composition, and grammar that every American, no matter their age, needs to know. The Oxford Dictionary of English offers authoritative and in-depth coverage of over 350,000 words, phrases, and meanings. The foremost single-volume authority on the English language. With over 26,000 chemical and pharmaceutical terms, this modern, easy-to-use English and Spanish glossary is an indispensable resource for pharmacists, physicians, scientists, health care professionals, and anyone else who works in these or related fields. "A critically acclaimed guide to English usage. Includes more than 2,300 entries presenting the history, analysis, and recommendations regarding noted usage controversies. Entries are illustrated with more than 20,000 quotations from prominent writers." Language proficiency is multidimensional. While conversational skills are essential for social interaction, they are insufficient for most academic purposes. To be successful, teachers and students must acquire a firm and accurate command of subject-area vocabulary. Even though a growing number of Americans speak Spanish at home, the United States has a severe shortage of professionals with fully developed academic skills in Spanish. This poses a special challenge for bilingual classrooms. Educators must be able to identify "la palabra justa" - the right word - in preparing or presenting a lesson, especially when providing content instruction and second-language input at the same time. Recognizing an acute need, the editors of this volume brought together an international team of language teachers, teacher educators, and other bilingual professionals to create an English-Spanish / Espanol-Ingles glossary. "La Palabra Justa" features more than 24,000 entries covering the academic vocabulary needed in K-12 education. Unlike a dictionary, the glossary offers a quick, user-friendly way to find translations of key terms in context. Sections include: Language Arts (Grammar & Composition, Literature, and Languages); Mathematics (Arithmetic & Algebra, Geometry, Probability & Data Analysis, Numbers & Measures); Science (Earth Sciences, Life Sciences, Physical Sciences, and Inquiry & Process); Social Studies (Civics & Government, Economics & Finance, Geography, and History); Fine Arts (Performing Arts and Visual Arts); Technology; and School Life (Holidays & Celebrations, School Routines & Activities, Field Trips & Transportation, School Library, Playground & Sports, Student Health, Special Needs, Conduct & Discipline). It's never a good idea to be overly-reliant on technology while traveling! Look up words quickly and easily with this great little Korean dictionary. Intended for use by tourists, students, and business people traveling to Korea Pocket Korean Dictionary is an essential tool for communication and a great way to learn Korean. It features all the essential Korean vocabulary appropriate for beginning to intermediate students. It's handy pocket format and easy-to-read type will make any future trip to Korea much easier. In addition to being an excellent English to Korean dictionary and Korean to English dictionary Pocket Korean Dictionary contains important notes on the Korean language, Korean grammar and Korean pronunciation. All Korean words are written in English as well as Korean script (hangul) so that in the case of difficulties the book can simply be shown to the person the user is trying to communicate with. This dictionary contains: The 3,000 most commonly used words in the Korean language. English-Korean and Korean-English sections. Hangul and Romanized Korean. An introduction to and history of the Korean language. Information on Korean grammar. A guide to pronouncing Korean correctly. Other books from this bestselling series you might enjoy are: Pocket Tagalog Dictionary, Pocket Vietnamese Dictionary, Pocket Mandarin Chinese Dictionary, Pocket Cantonese Dictionary, Pocket Cambodian Dictionary, Pocket Indonesian Dictionary, Pocket Thai Dictionary, and Pocket Malay Dictionary. A Glossary of English Grammar presents a wide range of terms used to describe the way the English language is structured. Grammatical terms can be a problem for students, especially when there are alternative names for the same thing (for example, 'past tense' and 'preterite'). This book therefore provides a basic and accessible guide, focusing on the English language. Definitions of grammatical terms are given in simple language, with clear examples, many from authentic texts and spoken sources, showing how they are used. The terms used in the Comprehensive Grammar of the English Language are widely seen as standard, and form the basis of grammatical terminology in this book. At the same time, this glossary does not neglect other variants of English grammar, such

as that of Huddleston and Pullum's influential Cambridge Grammar of the English Language, whose most important terms are also covered here. This book is indispensable for anyone wishing to understand present-day terminology of English grammar more fully. This Spanish-English bilingual mental health glossary was developed to support the many dedicated individuals around the country who provide interpretation services to limited English-speaking patients in health care and social services settings. In a field where misinterpretation and misunderstanding can be serious and even fatal, finding the "right words" to interpret or translate in mental health terminology is a tremendous challenge. We hope this glossary helps in that valuable work. The terms and phrases included here range from very technical psychosocial terms, such as "echolalia," to less technical but equally challenging terms to translate, such as "intake screening." This glossary is not definitive; it is only intended to provide a foundation in mental health terminology. Each term or phrase in the glossary is accompanied by an English definition. Each definition captures the meaning and use of a word or phrase in a psychosocial context. These definitions were reviewed and edited by mental health professionals. Dictionaries can be something of a personal matter; people become very attached to their favorite. In the above context Endale Zenawi's dictionary is archetypal; this is a much used and loved dictionary. The first edition had been out of print since 1975. Simon Wallenberg's Second 2007 edition of this invaluable reference book is bound to be welcome. The editors of Simon Wallenberg have included a brand new introduction to the Amharic language and a history of the Ethiopian People. Cultural notes have been added along with useful information on contemporary Ethiopia. A section on the Rastafarian religion has been added. The new edition has been expanded with over 660 pages of definitions making this dictionary the most comprehensive on the Amharic language. True to form, the Simon Wallenberg's editors have carried forward Endale Zenawi's work and have lived up to their tradition of creating some of the most widely used and respected dictionaries and reference books in the world. Definitions continue to be organized around the "core" meanings that is, "the one that represents the most literal use that the word has in ordinary modern Amharic usage. The dictionary is ideal for person looking for a quick answer while on a business trip as well for journalists and writers for whom it makes the perfect desktop companion. Portable, compact, and affordable, this Amharic Dictionary is ideal for school, the office, and lower university level. The dictionary has been revised and updated to cover all the latest vocabulary. Words are tools for life and the Wallenberg dictionaries make them work for you. Acclaimed by Amharic Academics, Wallenberg Dictionaries has led the way in bilingual lexicography for many years. They have proved to be reliable dictionaries and have been compiled for a large number of languages. Do you need to explain macroeconomics in the classroom? Would your students know what a hurdle rate is? This new edition of the Longman Business English Dictionary gives students an in-depth knowledge of all the vocabulary they need to survive in today's fast-paced business environment, whether they are students of business English or people already in work.
