**The Whedonverse Catalog** Aug 24 2020 Director, producer and screenwriter Joss Whedon is a creative force in film, television, comic books and a host of other media. This book provides an authoritative survey of all of Whedon's work, ranging from his earliest scriptwriting on Roseanne, through his many movie and TV undertakings--Toy Story, Buffy the Vampire Slayer, Angel, Firefly/Serenity, Dr. Horrible, The Cabin in the Woods, and Agents of S.H.I.E.L.D.--to his forays into the Marvel Cinematic Universe. The book covers both the original texts of the Whedonverse and the many secondary works focusing on Whedon's projects, including about 2000 books, essays, articles, documentaries and dissertations.

**Lambretta TV/LI: Prima Serie - Series 1** Sep 05 2021 Following the monograph devoted to the Lui, this latest volume focuses on another iconic Lambretta the TV-LI Series I. In the history of the Lambretta, the TV and LI Series I laid the foundations of a new engineering concept that revolutionised the traditional model with shaft drive, sold from 1947 to 1958 in hundreds of thousands of examples. There were numerous innovations characterising this new series of models: the engine adopted a duplex chain transmission with a four-speed gearbox and the cylinder was set horizontally, while in terms of the chassis, the most significant novelties concerned the larger 10" wheels and the dimensions of the bodywork. No less important were the improvements to the rear suspension, which abandoned the famous torsion bar for a more efficient motorcycle-style spring-damper unit. For the first time a Lambretta reached a displacement of 170 cc and could offer high performance with a maximum speed of over 100 kph. This model, which went head-to-head with the Vespa 150 GS, is without doubt one of the most sought-after by collectors today. Even the more tranquil LI 125 and 150 were extremely successful, with thousands of examples of this exceptional Innocenti scooter still on the roads today, appreciated for their incredible robustness and stability. Vittorio Tessera, "Mr Lambretta", covers the entire technical, industrial and social history of these models, while the book is illustrated with hundreds of photographs.

**Sonic Advance 2** Feb 16 2020 Sonic Boom! • Strategies for each of the six gameplay modes • All Sonic gear and pickups covered • Walkthrough reveals every secret • Read about Sonic's development, direct from the Sonic Team • Boss strategies for each character • Extensive Sonic the Hedgehog history

*The Documentary Film Makers Handbook* Dec 16 2019 Documentary films have enjoyed a huge resurgence over the last few years, and there's a new generation of filmmakers wanting to get involved. In addition, the digital revolution has made documentaries even more accessible to the general filmmaker. Documentary films can now be shot professionally using cheaper equipment, and smaller cameras enable the documentarian to be less intrusive and therefore more intimate in the subjects' lives. With an increasing number of documentaries making it to the big screen (and enjoying ongoing sales on DVD), the time is right for an information-packed handbook that will guide new filmmakers towards potential artistic and commercial success. The *Documentary Film Makers Handbook* features incisive and helpful interviews with dozens of industry professionals, on subjects as diverse as interview techniques, the NBC News Archive, music rights, setting up your own company, the Film Arts Foundation, pitching your proposal, the Sundance Documentary Fund, the Documentary Channel, the British Film Council, camera hire, filmmaking ethics, working with kids, editing your documentary, and DVD distribution. The book also includes in-depth case studies of some of the most successful and acclaimed documentary films of recent years, including *Mad Hot Ballroom*, *Born Into Brothels*, *Touching the Void*, *Beneath the Veil*, and *Amandla!* The *Documentary Film Makers Handbook* will be an essential resource for anyone who wants to know more about breaking into this exciting field.

**The Women Who Made Television Funny** Feb 10 2022 Most of the bright and talented actresses who made America laugh in the 1950s are off the air today, but their pioneering Hollywood careers irrevocably changed the face of television comedy. These smart and sassy women successfully negotiated the hazards of the male-dominated workplace with class and humor, and the work they did in the 1950s is inventive still by today's standards. Unable to fall back on strong language, shock value, or racial and sexual epithets, the female sitcom stars of the 1950s entertained with pure talent and screen savvy. As they did so, they helped to lay the foundation for the development of television comedy. This book pays tribute to 10 prominent television actresses who played lead roles in popular comedy shows of the 1950s. Each chapter covers the works and personalities of one

actress: Lucille Ball (I Love Lucy), Gracie Allen (The George Burns and Gracie Allen Show), Eve Arden (Our Miss Brooks), Spring Byington (December Bride), Joan Davis (I Married Joan), Anne Jeffreys (Topper), Donna Reed (The Donna Reed Show), Ann Sothern (Private Secretary and The Ann Sothern Show), Gale Storm (My Little Margie and The Gale Storm Show: Oh! Susanna), and Betty White (Life with Elizabeth). For each star, a career sketch is provided, concentrating primarily on her television work but also noting achievements in other areas. Appendices offer cast and crew lists, a chronology, and an additional biographical sketch of 10 less familiar actresses who deserve recognition.
