Word problems are designed to test a child's understanding and mastery of math topics. This workbook will develop your child's ability to apply the math skills he or she has learned in Middle School to real world situations. Learning math is easy with our middle school level math books.

Grade 5 Reading Nov 07 2021 With our unique step-by-step lessons, children gain confidence in their comprehension skills so they are eager to read more! Our Reading Workbooks use a combination of phonics and whole-language instruction to make reading feel effortless. By mastering grade-appropriate vocabulary and completing fun, colorful exercises, children discover that they love to read!

Math Boosters Aug 16 2022 This workbook is designed for children to complete by themselves, alternating between problems that are broken down step-by-step, and problems that are presented without instructions or step-by-step guides.

School Zone Big Science Grades 2-3 Workbook Dec 16 2019 Plant a seed of interest in science and watch it grow! Your budding scientist is sure to enjoy learning about weather, plants, insects, reptiles, birds, mammals, and more through informative activities and hands-on experiments such as "condensation on a can" or a model for air pressure. They can make their very own rainbow on a sunny day or be a "flake detective" on the next snowy day. Build a pinecone bird feeder, separate fact from superstition, power through themed mazes, or break the "spider code." Develop vocabulary and reading comprehension skills, and also find suggestions for subject-related storybooks and informational books. Fun facts and the occasional riddle add to the joy. What a great STEM friend!

Costco US Grade 2 Assortment Feb 16 2020
